Test Modules

# Network Diagram

This is a network apply the following layout:

Code from StandardLayerTests.java:397 executed in 1.85 seconds (0.000 gc):

```
return Graphviz.fromGraph((Graph) TestUtil.toGraph((DAGNetwork) smallLayer))
    .height(400).width(600).render(Format.PNG).toImage();
```

Logging:

```
Could not initialize guru.nidi.graphviz.engine.GraphvizCmdLineEngine
guru.nidi.graphviz.engine.GraphvizException: dot.exe command not found
Starting V8 runtime...
Started V8 runtime. Initializing graphviz...
Initialized graphviz.
```

Returns:

Using Seed 8526599674786721792
